

BRACCO DIAGNOSTICS INC.

Executive Leadership

FULVIO RENOLDI BRACCO

Vice-Chairman & Chief Executive Officer,
Bracco Imaging, S.p.A.

Dr. Fulvio Renoldi Bracco joined his family in the management of Bracco S.p.A. in 1996, where he initially worked in the corporate Finance Department. In 2002, he became Chairman and CEO of Acist, a U.S. Affiliate of the Bracco Group, specialized in the development manufacturing and marketing of proprietary cutting edge medical systems. In April 2009, he became the head of the Global Business Unit Imaging of Bracco Imaging S.p.A., one of the World's leading companies in the diagnostic imaging business. In June 2017, he was appointed Chief Executive Officer and, in June 2021, Vice-Chairman of Bracco Imaging S.p.A. He is a member of the Presidential Committee of Federchimica—the Italian Federation of the chemical industry, of the Board of Directors of the American Chamber of Commerce in Italy and of the Board of Directors of Endeavor Italy. In addition, he is member of the Board of Directors of Bracco Spa and Centro Diagnostico Italiano.

ALBERTO SPINAZZI, M.D.

Senior Vice President, Chief Medical and Regulatory
Officer, Bracco Group

Dr. Alberto Spinazzi possesses more than 35 years of experience in the development, regulatory approval, clinical research, and post-marketing surveillance of medical imaging agents and devices, and spearheads the overall direction, management, and supervision of Bracco's worldwide clinical, medical and regulatory programs and activities. He utilizes his clinical expertise to ensure that Bracco's products meet the highest medical standards and contribute to safe and effective radiological practices.

A professor at the Catholic University, Postgraduate Medical School of Radiology in Rome, Italy, Dr. Spinazzi has served as a member of the Contrast Media Safety Committee of the European Society of Urogenital Radiology since 2004. He served as a leader of an Industry Task Force that supported the European regulatory agency in the development of the new European guidelines on the clinical evaluation of diagnostic agents (1998-2001) and its revisions (2008-2009). An active member of numerous scientific societies, Spinazzi has authored and delivered over 400 scientific presentations at international symposia, scientific papers in peer-reviewed international journals, and textbook chapters.

BRACCO DIAGNOSTICS INC.
